East West Institute Summer Camp 2011 is a 3-week Chinese Cultural summer program for US students age 8 and older. Based at Dalian University of Foreign Languages, this co-hosting summer program with the School of Chinese Studies combines the strength of authentic Chinese Kung Fu and Tai Chi training with the benefits of studying and living in one of the famous tourist and beach city of China, Dalian. Students will be learning Chinese language (Mandarin), traditional Chinese painting, art and crafts, Chinese music, Chinese tea ceremony as well as Chinese martial arts. Students will also be visiting over 20 famous historic places and scenic spots in two cities --- Dalian and Lushun. This camp will be a unique Chinese culture learning opportunity for all participants.
